

Tokio Marine Asset Management wins Global Investor Investment Excellence Award

August 2, 2010 Tokio Marine Asset Management (TMA) announced that it has won the Global Investor Investment Excellence Award for the Japanese fixed income category.

The Global Investor Investment Excellence Awards winners are chosen through voting by Global Investor's readership and the wider industry. Global Investor is a magazine published by Euromoney Institutional Investor, and this year marked the 10th anniversary of the awards.

TMA's Japanese fixed income products are evaluated highly by Japanese investors and consultants for their sophisticated investment processes and stable track records.
